

## Single- and Two-Circuit Track Accessories

### Specifications/Features

The track mounting accessories allow ConTech 1-Circuit and 2-Circuit track to be mounted with stems or cables to T-Bar ceilings, drywall or to junction boxes. ConTech recommends using a **minimum** of (2) mounting points for 2', 4' and 6' track sections, (3) mounting points for 8' sections and (4) mounting points for 12' sections of track.

Components are available in the following finishes: **B** (Black), **P** (White), **U** (Unfinished), **S** (Silver). Installations are suitable for dry locations only.
