## Installation Notes

Install this product according to the installation guide.

A neutral white bulb finish is recommended for task lighting.

If you are installing this sconce as grooming light, we recommend installing two sconces on either side of a mirror. Mount each sconce a maximum of 20" (508 mm) from the center of the mirror.

The proper height of the sconce depends upon the height of the user. Refer to the installation guide to determine the proper height of the sconce.
