

GRAIN PENDANT LAMP

FURNITURE / LIGHTING / ACCESSORIES

GP29B - 21061 BLACK

PRODUCT FACT SHEET

JENS FAGER ON THE DESIGN "GRAIN is a versatile, environmentally friendly pendant lamp with a warm & welcoming appearance that provides a great quality of light. Interesting details such as the profiled edge & hidden cord lock give GRAIN lots of character despite its simple & iconic shape. The lamp's matt surface from a specially created mix of bamboo grain & plastic composite adds a new perspective to the lamp's look & feel. You can actually see the natural stains & patterns of the material's structure in it."

PROCESS The lamp's shade is made under high pressure casting. Shade and electrical components are hereafter assembled by hand.

DESIGNED BY / YEAR OF DESIGN Jens Fager / 2015

TYPE Pendant lamp

DESCRIPTION A small sized pendant lamp in an innovative material that works well in rows and clusters of two or more. The lamp is equipped with a high quality LED light bulb that will last for 10.000 hours. The LED bulb will save energy but still reflect a natural light and a warm glow.

MATERIAL Lamp shade in mixture of bamboo fibers and polypropylene. PVC cord.

ENVIRONMENT Indoor

CORD LENGTH (CM & INCHES) 4000 mm / 157.5"

CANOPY INCLUDED Yes

VOLTAGE (V) 200-240 V LED G9 bulb 4 W, 400 Loom, 3000K

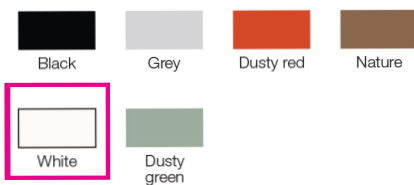

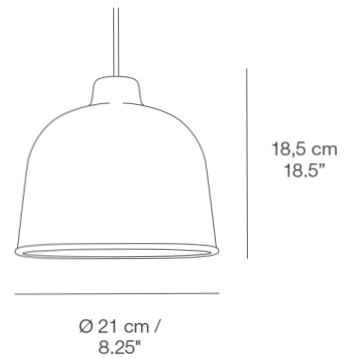

DIMMABLE FUNCTION No

BULB INCLUDED Yes. LED bulb. Average life span of 10.000 hours

UL CERTIFICATION Yes

CLEANING INSTRUCTIONS Clean the lamp with a soft dry cloth. Always switch off the electricity before cleaning.

ABOUT THE DESIGNER Jens Fager is one of Sweden's most interesting young designers, and although a recent graduate from Konstfack University in Stockholm, he has already made an international impact with exhibitions in London, Milan and Stockholm.
