

ALUMINUM REFLECTOR PENDANT

CF / INC / MH

RP

APPLICATION

Reflector Pendant's distinctive styling will enhance any space with efficient lighting and striking design.

FEATURES

Speculume series fixtures offer simple contemporary style with functional luminaire performance. All fixtures are designed and manufactured in our factory. Reflector pendant is available in three sizes with direct lighting. Separate finishes may be chosen for fixture and mounting. A variety of mounting and finish options available.

FINISH

Multi-stage polyester powder-coat process applied on our dedicated paint lines. A wide variety of standard and custom finishes are available. All exposed materials are chromate pretreated to resist corrosion.

ELECTRONICS

Choose from compact fluorescent, incandescent, or metal halide lamping options. See mounting options section for maximum CF / MH lengths.

CONSTRUCTION

Fixtures are spun and fabricated in our factory from high purity aluminum. Fixture top is machined extruded aluminum.

CODE COMPLIANCE

ARRA Compliant. ETL/UL/CSA listed for damp locations. Manufactured and tested to UL standards No. 1598.
